

Wednesday Challenge Form

Group Members: Half of the Class

Problem Statement: We had to get around I a Circle and have a tube passing to each other At the same person

Approach: At the beginning when Dr. Neat Was explaining the challenge when he said We had to pass it no to the person next you But the one after. Right when he thought of that I had an idea. I thought of for every other person They would be standing the other way so it Would be easier to pass to eachother.

Solution: No one really won because it was A challenge where we just learn something

Lessons Learned: This challenged I learned that Communication and leadership is really good to have
